

# MEET, GREET, AND CHAT!

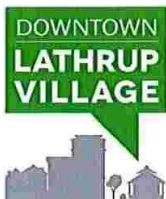

It's never easy figuring out who to talk to in the city about starting a business, buying commercial property, getting involved in the Downtown Development Authority (DDA), or learning about the city's planning efforts to make Lathrup Village an even better place to live, work, and play!

Thankfully, we've got you covered.

Come meet Susie Stec, the new Manager of Community & Economic Development! She's here to help new and existing businesses owners navigate through the city's (re)development process, promote the projects and programs of the DDA, and much more! Come with questions, ideas, or just to say hi!
